

CLAPTON & WAYFORD VILLAGE HALL

Regretfully, this message is to let you know that some events at Clapton & Wayford hall have been cancelled at least until the New Year.

Unfortunately, our attempts to resume Friday lunches and hold an afternoon tea were not as enthusiastically received as had been hoped. A number of regular visitors have indicated they are not ready to return to indoor catered events. As there is a lot of work involved in undertaking this type of event, committee members have taken the decision to postpone considering a return to our previous range of activities until life is more certain.

These concerns, together with a shortage of helpers and some ill health amongst volunteer organisers, mean that the Harvest Supper (planned for 4th October), and the October, November & December Friday lunches will not take place. We apologise for any disappointment caused, and will keep you posted if the situation changes.

Our Annual meeting however, will take place on **Thursday 28th October at 7.30pm** in the village hall. We will be very pleased to see anyone who feels able to come along. As ever, we are particularly in need of new committee members and volunteers – time, talents etc. are all greatly in demand. Please phone Mary (01460 74849) or Julia (01460 72769) to let us know if you plan to attend, and/or if you would like to volunteer for anything at all!

The hall is as Covid as safe as it can be, and available for hire; phone Adrienne (01460 75313) or visit the website. Most regular groups have now returned, and there are some new ones as well; please check with individual organisers for details.
